Case No. MP-95-82

On April 2, 1996, in Order No. 4806, the Commission ordered Presidential Coach to submit, on or before April 29, 1996, proof that Presidential Coach's Articles of Dissolution have been received and accepted by the DC Department of Consumer and Regulatory Affairs. On May 9, 1996, in Order No. 4833, the Commission ordered All-Star Presidential and its members to submit, on or before May 24, 1996, information on any vehicles and passenger carrier authority held by All-Star and its members. On July 15, 1996, in Order No. 4896, the filing deadline for both parties was extended to August 30, 1996.

On September 9, 1996, Presidential Coach and All-Star filed with this Commission certificates of dissolution issued on September 6, 1996, by the District of Columbia Department of Consumer and Regulatory Affairs, Business Regulation Administration. We will accept these late-filed responses and terminate this proceeding with respect to Presidential Coach, All-Star and All-Star's members.

One final matter remains. On April 5, Presidential Limousine filed nine leases covering the nine vehicles listed in its annual report for 1995. As noted in Order No. 4833, served May 9, 1996, those leases were unacceptable for filing. No replacement leases have been filed to date. Presidential Limousine, therefore, will be directed to present all of its vehicles, owned or leased, for inspection by Commission staff. This proceeding will stand terminated once all vehicles have passed inspection.

THEREFORE, IT IS ORDERED:

1. That this proceeding is terminated with respect to Presidential Coach Co., All-Star Presidential, L.L.C., and the members of All-Star Presidential, L.L.C.

2. That Presidential Limousine Service, Inc., is hereby directed to file the following on or before October 4, 1996:

a. A list of the vehicles in its possession, custody or control showing the following for each vehicle: (1) year, make and model; (2) vehicle identification number; (3) tag number and jurisdiction; (4) proof of current safety inspection for any vehicle not registered in the District of Columbia or Virginia; and (5) seating capacity; and

b. Evidence of ownership or a lease for each vehicle on the list filed pursuant to the preceding paragraph;

3. That Presidential Limousine Service, Inc., is hereby directed to present its vehicles for inspection by Commission staff on or before October 18, 1996.

4. That this proceeding shall stand terminated once all vehicles in the possession, custody or control of Presidential Limousine Service, Inc., have passed inspection.

5. That Certificate of Authority No. 148 shall stand suspended upon Presidential Limousine's failure to timely comply with the requirements of this order, and said certificate shall be subject to revocation without further notice.
